CORBIN DAVIS
CLERK SUPREME COURT

Willie & Mattie Bonner
1321, Findley
Saginaw Mich

To: Michigan Supreme Court:

Yes I am writing to voice my words on this asbestos illness issues yes I Willie Bonner worked for forty years plus at Grey Iron G.m. plant Saginaw michigan. And As a result I have had a lot of life long illness from the Asbestos system in the plant.

First I have lung disease as a result of the System, Plus I have developed Poor Cancerous eye sight, I don't understand how you or any one else will deprive me of my Constitutional Right to be heard by a Jury, I understand that the industry understood that it will a very danger and health Risk when and by working around the asbestos but they ignored and didn't make the Risk a gred to the people. I don't understand why the court is working unfavorable for the workingmen but for the Big Business, But I know you have the power to change things so Please don't LET the Asbestos Company off the hook because they have hurt a lots of lives. So don't you help them deprived to

Thank you for letting me
voice my opinions, and Please
make the right decision.
